F&B'S Gorilla Edge Makes Monkeys Out of the Competition!

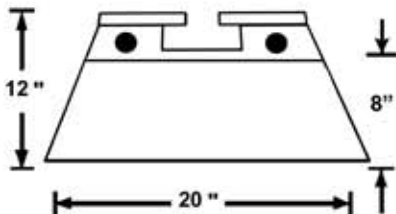

SBR-12

The longest wearing Rubber Cutting Edge. These are for the Big Boys.

SBR-12 this is our new Slide Bolt Edge. It's installed the same way as our other slide bolt edges. The Difference is your getting 8" off Wear compared to 6". That means less down time installing Edges this will give you 25% more wear. These Edges are built heavy Duty with extra strengthen plates.

SBR-12

F & B Rubberized is always working to improve our products. This is the latest product improvement. We had a lot of inquiries to see if we could come up with a longer lasting Edge. Our new SBR-12 will still be priced below our competitor with much more wear.
